ABOUT THE EVENT

Clara GAA, Clara Ladies GFC & Clara Athletics Club proudly presents the "From The Green to to McLean" fundraiser, aiming to enhance our facilities through global community engagement. All funds raised will be dedicated entirely to our facility development project, ensuring a brighter future for our community and its members.

As we embark on this ambitious journey, we invite members worldwide to participate, organise, or contribute to our cause. With your support, we will transform our facilities and strengthen our community bonds

Our objectives are:

- Mobilise our global community to raise funds for our facility development project.
- Promote health and wellness through physical activity and community engagement.
- Ensure that every cent raised directly benefits Clara GAA's infrastructure improvements.

Options for Support:

Supporters have three impactful ways to contribute:

- 1. Take Part in the Run:** Join us in walking or running to cover the distance from Clara to McLean Avenue, while raising some sponsorship
- 2. Organise Local Fundraisers:** Host fundraising events in your local area worldwide, in alignment with our fundraising weekend.
- 3. Donate or Sponsor:** Make direct donations or sponsor a participant, knowing that every penny goes towards our facilities.
